

February, 2004

Who Is John Edwards?

So I am watching the race for the Democratic Party candidate because I can't back the Republicans anymore. I know who Howard Dean, John Kerry, and Leslie Clark are but who the hell is John Edwards and why is he still in the race? What has he done to stand out? Was he a prisoner of war in Vietnam, Purple Heart recipient, Medal of Honor, etc.????

EWf

I am listening to Earth, Wind, and Fire and loving it!
The Wall (not Pink Floyd) in the Middle East (U No Da 1)
Take it down..you are splitting up families, neighborhoods, businesses, congregations, streets, shopping districts, etc. Let the people be. Government and media foment war. Make peace with your sisters and brothers, mothers and fathers, grandmothers and grandfathers, etc., and then go after the politicians!

Moon Wok

Something I found from a night in January...Must have had a Jones for Bush and his moon landing zone.

I just watched "A Space Odyssey 2001" for about the 8 millionth time. I have it on Laserdisk. I can't see why we should go to the moon...oh he said "Shoot for the Moon?" NTL, Spend the freakin money on Earth and Earth flora and fauna. F outer space...look into the inner space. Feed your head, feed the people, educate the people, feed and heal Mother Earth, and find a reason for existence.
